

METALLURGY

POWER TRANSFER

(Foundry & furnace, galvanic lines, rolling mills)

Carbon brushes (DC & AC) brush-holders slip ring assemblies

ANTICORROSION PROCESSES

(Foundry & furnace, pickling and galvanic lines)

Graphite Polybloc & Tantalum steel and tubes for heat exchangers Titanium column PTFE impregnated graphite

HIGH TEMPERATURE PROCESSES

(Melting, shaping, transport)

Graphite crucible Graphite die Graphite tube

MOTOR PROTECTION

Fuses & Fuse-holders Surge Protection Devices (UL & IEC)

- 01** FOUNDRY & FURNACE
- 02** HOT ROLLING MILLS
- 03** COLD ROLLING MILLS
- 04** GALVANIC LINES

SERVICES

- Motor maintenance services
- Training
- Tools & measuring devices
